

The visitor's charter for the museums of the City of Paris

Valid from February 28th, 2022

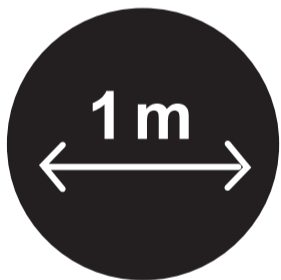

Entrance is conditional to a vaccine pass check-up for those over 16 years old (health pass for 12-15 years old). Please present it at the entrance of the museum.

It is highly recommended to reserve a time-stamped ticket for temporary exhibitions at www.billetterie-parismusees.paris.fr.

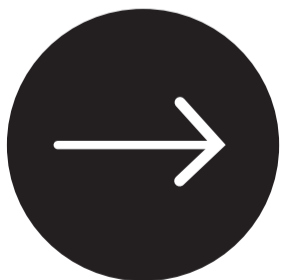

Wearing a surgical face mask or a class 1 tissue mask is highly recommended for all visitors over the age of 6.

Please maintain a distance of one meter from other visitors and museum personnel.

Wash your hands regularly, especially before you enter the museum. Hydroalcoholic gel is available at the entrance.

During your visit, please follow the indicated itinerary.

Access to the cloakrooms is prohibited except in museums which have lockers. Baggage with any one dimension exceeding 40cm is not allowed.
